4 PM – 5PM – Band Callbacks
Musicians that are able to sing are a plus.

Please have prepared a slamming version of
"Superstition" by Stevie Wonder, along with one minute of your
favorite song to show what you've got!

Please have a sample of your playing/arranging/singing on a CD as well as your bio
and/or resume available.
You will be playing, both individually, and if you make the callbacks later that day, with
a band.
We are expecting a strong turnout, so arrive early and sign up to guarantee your spot.
If you've got soul and can play, it doesn't matter if you can read music - we want to
hear what you can do!
